

60 years of Subud Germany

Invitation to the international gathering and holiday congress

04-10 August 2025 in the family holiday village Hübingen/Westerwald

<https://www.familienferiendorf-huebingen.de>

After an intensive search, we have found the perfect setting for this special event: A family holiday village in a beautiful setting in the heart of the Westerwald, surrounded by picturesque nature. The idyllic location is not the only impressive thing about the place, it is also quick and easy to reach:

- Frankfurt Airport is only half an hour away via the Montabaur ICE railway station
- Cologne/Bonn Airport can be reached in just over an hour

The family holiday village offers us ideal opportunities to spend an inspiring time together: in addition to our own chapel, we have a professional two-mast circus tent with an area of 200 m² and a circus wagon for creative activities. There is also a 60 m² tipi and numerous multi-function rooms for our workshop programs. Plenty of space to make the talents of our community tangible and visible!

Comfortable accommodation

We will stay in fully equipped flats for 4, 6 or 8 people, with rooms for 2 people each. Each flat has its own area with kitchen-living room, shower and WC. Free WLAN is par for the course. One of the highlights is the panoramic dining room. With its large glass front, it offers an impressive view over the mountain ranges. The lunch and dinner buffets will be freshly prepared with regional ingredients – a treat for all the senses.

Ideal for all generations

Within the immediate vicinity of the family holiday village, there are interesting tourist attractions such as historic castles and vineyards on the Rhine, which we will take advantage of for the excursion and hiking program. We plan to provide loving care for our children up to the age of 12, while the teenagers can organize and enjoy many joint activities such as swimming, hiking, canoeing on the River Lahn and campfires.

Kejiwaan

The daily Kejiwaan program will be prepared by a team of international and national helpers. They will meet in the holiday village two days before the congress in order to feel the spirit that can be associated with this international meeting.

Your ideas are welcome

We are looking forward to your ideas and wishes for this holiday congress. In the tradition of our National Congresses, this gathering will once again be a time of inspiring encounters with our international community – with many different and surprising events. We therefore cordially invite you not only to take part in this congress, but also to contribute to it. This holiday congress is another great opportunity to experience the creativity that lies dormant in our community – across all borders and generations.

Please send us your ideas and wishes for this “birthday congress” to: ritaokford@subud.de
